Solutions Include

DEDICATED SUITES

The dedicated office suites at Madison present the ideal business setting, with the highest level of professionalism. Turn key office space is readily available, fully furnished and wired. Start ups, sole proprietors and small businesses can establish themselves, within a professional office setting but without a long-term commitment or large overhead costs.

RAPID SPACE

The **Rapid Space** offices at Madison provide adaptable office space with flexible lease terms. Businesses have access to the full office infrastructure, including executive suites, conference rooms and administrative support. With **Rapid Space**, organizations can adjust the space to fit their changing needs within a limited period of time.

VIRTUAL SPACE

The Virtual Space at Madison allows businesses to be present anytime, anywhere. The combination of cutting edge technological tools and highly skilled support staff helps businesses to convey the stability and resources of an established company. Virtual Space provides small businesses and sole proprietors with administrative support and a professional impression.

A-LA-CARTE

Madison Executive Center offers a full suite of professional administrative and support services. Skilled administrative assistants provide competent office services, from basic secretarial tasks to comprehensive project management. Businesses can take advantage of Madison’s pay-as-you-go fee schedule, accessing services as needed.

LOCATION

Set in vibrant downtown Newark, Madison Executive Center is located in the 24 Commerce Building, an 18-story, mid-rise, Class A office building. Madison's offices feature panoramic views of downtown, the greater New York City metropolitan area and beyond.
